**Parents, Employees, and Occupants Notification of Asbestos Abatement**

There will be an abatement of asbestos materials in non-student areas of the second floor at the Ocean Avenue LEARNing Academy in order to perform renovations/repairs. The project is expected to start on November 4, 2022 and take 3 days.

**During this time, no children 18 and under are allowed in the building.** All doors will be posted with signs containing this information.

Our local contact for work is *Roger Johnson, O & G Industries, Inc.* at 860-250-1870 and the project will be monitored by Mystic Air Quality Consultants, Inc. which can be reached at 800-247-7746.
