Parent & Caregiver Workshops - 2017/2018

Strategies For Successful Community Outings / Special Occasions With Your Child

Parents will gain strategies and tools to help their child successfully navigate the challenges of group outings such as birthday parties, holidays, special occasions, trips to the grocery store, etc.

• **October 4, 2017** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hills Rd, Old Lyme

How To Manage Challenging Behaviors in the Home

Parents will gain simple strategies to utilize at home to manage challenging behaviors by their child. Strategies will be provided by LEARN Board Certified Behavior Analysts (BCBA) that can be used to help de-escalate behaviors, avoid problem situations and help children relieve anxiety and tantrums due to transitions.

• **November 9, 2017** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hill Rd., Old Lyme

How Parents Can Assist Their Child's School Team to Successfully Support Their Child With Anxiety

It is hard to be a parent of an anxious child. In this session parents will learn how to use their knowledge of their child to help the school team create a success plan for their child. Parents will gain skills and strategies to increase communication with their child's school team around the topic of anxiety.

• **December 6, 2017** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hill Rd., Old Lyme

Using Visual Supports at Home to Support Your Child's Independence

Presented by a team of educators, parents will learn how to use visual schedules, reminders and supports to help their child with transitions, allow parents to introduce new activities into routines, and help students learn to be more flexible.

• **January 11, 2018** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hill Rd., Old Lyme

Desensitization: Helping Your Child Navigate Doctor, Dentist, and Haircut Appointments

Many students with sensory challenges have difficulty with routine appointments for medical and personal hygiene visits. In this session, participants will learn strategies to help their child get ready for and attend personal appointments.

• **February 12, 2018** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hill Rd., Old Lyme

Strategies for Supporting Your Child's Speech & Language Development at Home

Presented by a Speech and Language Pathologist, participants will gain an understanding of communication skills their child may be working on at school and strategies to help caregivers continue their child's growth and development of these skills at home. Any family whose child receives speech and language supports in school would benefit from this workshop.

• **April 5, 2018** **6:00-7:30pm**

Location: LEARN, 44 Hatchetts Hill Rd. Old Lyme
